## **Play a game**

### **What went in the cake?**

**To help the child to remember, and to find words in the story.**

- Ask the child to tell you one thing that Kipper put in the cake. Give him/her the book to find the picture and the word. Read the whole sentence.
- Then it is your turn to remember something. Find the right picture and the word. Read the word and the whole sentence.
- Go on taking turns until you have remembered all six items. Find the word each time and read the sentence.

## **Other ideas**

**You can use these ideas straight away, or on another day.**

- Think of something Kipper might have put in the cake for each letter of the alphabet, e.g. 'a' apples, 'b' baked beans, 'c' carrots, 'd', etc.
- Find 'put' every time it appears in the story. How many times does it appear? Then find 'he' each time. Which word appears more often, 'he' or 'put'?
